deReus Architects, Lead Designer
Wiseman Group collaboration

A masterfully created curved stone sink stands at the forefront of this tranquil bathroom, designed by Mark deReus with additional design efforts by the Wiseman Group. The curved surfaces of the sink are replicated in architectural details throughout the house.

2012 Design Excellence Awards

TEXT BY NATALIE WAY

THE DESIGN EXCELLENCE AWARDS

showcased the talents of members of the San Francisco chapter of the American Society of Interior Designers. Awards were given by a panel of design industry experts to those interior designers who best represented excellence throughout the design process of their submitted installations. California Homes was honored to participate as the media sponsor and looks forward to the ceremony next year.

Paul Wiseman
The Wiseman Group

The elegance of the room is reflected in the intricate details of the dark wood armchair and table thoughtfully placed among traditional items characteristic to a home, such as the found objects and vast collection of books on the bookshelf.
